Who We Are

A luggage supply chain team with 30+ years serving global luggage brands. We connect emerging EU/US brands with verified suppliers across China and Southeast Asia - from material mills to finished-goods factories.

What We Cover

- * Product development (OEM & ODM)
- * Sourcing & production planning
- * Quality control (built-in, not end-checked)
- * Certification & compliance (EU/UK/US)
- * Logistics & delivery

How We Work

1. Share requirements - product idea, reference images, target price, quantity, destination market.
2. We recommend the best solution - material, structure, MOQ, lead time, production plan.
3. Sampling & confirmation - develop samples so you can check design, function, finish, and quality.
4. Production & QC - manage production with clear checkpoints, inspections, and transparent updates.
5. Delivery & after-sales - coordinate shipping, documentation, and delivery, and stay available for reorders.

Why Brands Choose Us

- * 30+ years luggage supply chain experience
- * Professional sourcing perspective
- * Flexible for growing brands
- * Quality-focused execution
- * Clear communication
- * China & Southeast Asia supplier network
